Spring Sale ~ Okuma Nitryx baitcasting reels

Smooth, strong, accurate, reliable...all adjective and all appropriate descriptions of the Nitryx. The Nitryx is the result of years of study and testing. These reels have been tested around the globe, in an effort to create the ultimate round bait cast reel.

Made with the most sophisticated materials, MD-10 grade aluminium, proprietary Rulidium drags, stainless steel ball bearings, and titanium coated aluminium oxide line guide. Unlike the traditional round reel, the Nitryx reel utilizes the drag washer system, for the ultimate in drag range and smoothness. The Nitryx is a classic round bait cast reel.

- One-piece Aluminium frame
- Rulidium & stainless steel drag system
- Quick-set anti-reverse
- Titanium coated aluminium oxide line guide
- Four stainless steel ball bearings plus one roller bearing
- Centrifugal cast control system

RRP £49.95 - **On offer at £18.95** That's a saving of over 60%
